## ABOUT ME

---

I am a Web Developer, working full-time at a software house while also handling part-time client work. I stay focused on each project and constantly strive to learn something new, which helps me grow my expertise every day.

## EXPERIENCE

---

[ 2023 - CURRENT ]

### WEB DEVELOPER | UTECHO SOFTWARE HOUSE, FAISALABAD

Designed and developed admin panels and websites using PHP, handling both front-end and back-end tasks. Created responsive interfaces with HTML, CSS, and JavaScript, optimizing for speed and scalability. Collaborated with cross-functional teams to deliver projects on time and meet client requirements. - PHP, HTML, CSS, JavaScript.

## EDUCATION

---

[ 2020 - 2022 ]

### Msc Information Technology

Government College University, Faisalabad

City: Faisalabad | Country: Pakistan |

[ 2018 - 2020 ]

### ADP Information Technology

Government College University, Faisalabad

City: Faisalabad | Country: Pakistan |

## SKILLS

---

- HTML, CSS, Bootstrap, Javascript, PHP
- Collaborative Work, Bug Fixing

## PROJECTS

---

### Educational Management System

Developed a scalable system for university administration, enhancing efficiency with automated scheduling and secure data handling - PHP, HTML, CSS, Bootstrap.

### 3 Dots Website Frontend Design

Created a responsive, visually appealing front-end for 3 Dots, ensuring brand consistency and meeting tight deadlines - HTML, CSS, JavaScript, Bootstrap.

### Admin Panel Development

Built a secure, user-friendly admin panel with data visualization, optimizing performance based on stakeholder input - HTML, CSS, JavaScript, PHP, Bootstrap.
